## **Terms of Service and Conditions for Using Lake Rawlings**

**Scuba Instructors:** All scuba instructors who teach at Lake Rawlings must meet active status requirements with their respective agency (current membership and liability insurance). The instructor – student ratio for in-water activities must be met according to the prevailing course standards of their respective agency. All scuba instructors will receive complimentary admission when leading a group of two or more paying divers.

**Divemasters:** All divemasters who supervise diving activities at Lake Rawlings must meet active status requirements with their respective agencies in terms of current membership and liability insurance. Supervision of diving activities may be direct or indirect. Divemasters will receive complimentary admission to Lake Rawlings when listed on a group manifest and there are four or more paying divers in the group.

**Scuba Divers:** \$25 daily except Wednesday \$12.50 per diver. This includes parking and admission. All certified divers must present their certification card to the staff at the office to obtain admission for scuba diving. Solo drivers must declare their intent upon registration, present their solo certification and be so equipped in the water. Failure to do so will result in termination of diving and park privileges. Non-certified divers must be supervised by an instructor when scuba diving at Lake Rawlings.

**Law Enforcement, Military, Public Safety trainers** will be held to the standards if the training for the law enforcement, military or public safety agency. The group leader is responsible for obtaining the lake pass (entrance for all personnel to include appropriate assumption of risk (liability release) and parking permit(s) for each vehicle as required.

**Groups of 10 or More:** The group leader is responsible for collecting all fees and the appropriate assumption of risk (liability release) from each member of the group, regardless of age or circumstance.

**Seasonal & Daily Operation:** Lake Rawlings will be operational daily during Regular Season to include weekends and holidays during regular season (1 May – 30 September).

Slack Season operation will be weekends and Wednesday between March 16 and April 30; and October 1 and November 15. A reservation to dive is required other days during the slack season with min 48 hrs notice by calling (800) 583-3781. Off Season is November 15 through March 15. Visits during the off-season are available by appointment only, with min 48 hrs notice by calling (800) 583-3781.

**Alcoholic Beverages:** Beer and other alcoholic beverages, and glass containers, are strictly prohibited from the premises at all times. Violators will be told to leave the premises.

**Firearms/Fireworks/Explosives** to include firecrackers, sparklers, etc. are strictly prohibited from the premises at all times. Violators will be prosecuted.

**Trash and Garbage:** Please help keep Lake Rawlings a clean and great place to dive. Place your trash in the provided receptacles and diligently inform divers and visitors in your group or class about our respect and care for the environment. Thank you!

**Lodging:** Cabins and electric sites go fast so make reservations early. No reservation needed for tent camping. Nottoway Motel is close at Exit #39 and I-85. Their number is (434) 478-4421

To ensure your and everyone's safety we ask all divers, swimmers and visitors to abide by the operational rules and standards of Lake Rawlings at all times. Your cooperation will be greatly appreciated.
